

What Worked Well

Games (introduce 1st day / Relax Time 2nd day)
English and Japanese(←I like)

Writers Workshop

Games

Coffee Break

•Writers Workshop done by Japanese too.

That's helpful

•Invited Talk was so Impressive

•Writers Workshop (in Japanese)

because pattern's good points and bad points, both of

them were talked.

•Nakano-san's(ad-hoc)face drawing game based on Alexander's theory.(centering process)

•Name-Gesture Game

•Writer's workshops format

•Japanese session(Local language)

•Short Demo how to do Writer's W/S in the 1st Day morning

•Rotation of W/S facilitator

•Writer's working

•Mix of Tutorial and reviews

•games

•Online Registrations 1 Information

•Meet people from different areas

•people

•discussion

•Shepherd, good shepherd!

•Japanese Workshop for Japanese

•Coffee Break

•Invited talk

•Good participant

•Facilitation

•Share an idea and Good discussion

•I know a unique idea

•Tutorial for Beginners

•Games

•English Writers Workshops

•Invited Talk

•Writers Workshop

•Tutorial

•Invited Talk

•Shepherding process

•Invited 'Exciting' talks

•Collocated workshop

•Meeting new people

•Joshua's talk

•Good mix of 'Talks' and 'Writer Workshop' session

•Writers Workshop

•Coffee Break

•Shepherding Process

What Should be done differently

•Panel(fun PL)

•More Relax Time(Name)

•Where Are you from count-USA**/France**/India**
Tokyo**

•Award. Best PTN=I like it ←vote

•Earlier Notification-Yes, notification should be done early and informative.

•More time for Papers-More time?LessPapers?

Web page-more understandable

More time(workshop)

Bigger rooms

•Bigger Name tags(readable)

•Attendee should read material before sessions.

•More Local staff

(This time Washizaki-san do 90%)

•More Time to discuss

•More Review time

•Pre -read of papers/Mandate paper reading for reviews

•On the review panel ensure 2 panels that have prior review experience

•WiFi(my PC is not connected)

•a round table

•early notification for registration to participate

•Earlier

•More time to paper

•Tutorial Conflict

•English / Japanese Conflict

•More Coffee! More Sweets!

•Sofa, more.

•Go outside to do "Game"

•short discussion I need more

•Speakers need more time to presentation an idea

•More Time to discuss

•Earlier Notification

•Post-it should be done without tape(Yellow is better)

•More time to discuss

•More food "Banquet"

•People to prepare for the review and then don the review.

•better help on Logistics

•Plan for more time for review.

•Feedback should more on the intent and content and less on structure.

•Give the right paper to right reviewer for good review

•More time Paper

•Tutorial not conflicted

•More Hot Tea

•More time Discussion

•Hot tea + milk

•Don't schedule Keynotes from other Grace Non-Asian
PLoP speakers

- Good Papers
 - Mix of Work + Breaks
 - Non-software expert 'Hiro' attending (he worked with Alexander)
 - Writer's Workshop
- Because we can join by Japanese

- Writers Workshop
- Banquet
- Tutorial for Beginner
- Games
- Shepherding

- Writers Workshop
- Tutorial for writing Patterns
- Games
- Writers Workshop
- Coffee break
- Banquet
- Tutorial
- Invited talk
- Name gesture
- 日本語での議論
- Workshop!
- Communication with others
- Shepherding Process
- Valuable Comments on my paper
- discussion on WW
- Tutorial
- time management
- good location
- participants
- Writer's workshop
- Invited talk
- Name Game
- Shepherding process
- Committee co-operation
- Welcome reception and Banquet
- Free registration
- Writers workshop
- Meeting new people
- Seeing again known people
- Good invited talks
- Place & meeting rooms
- General organization
- Josh's talk
- Valuable Invited Talks by Experts
- Writer's Workshop
- Printed proceedings
- Parallel Sessions in English and Japanese

- Games
- Drawing Faces
- Talk

- AsianPLoP itself(most important)
- Not excluded ordinal tech.papar(non-pattern)
- Tutorial of writing patterns
- Writers workshop demo in opening session
- PLoP conference held in Japan!!
- Invited Talk
- No registration fee. Great!!

- Bigger Name tags

- More Reading Time
- More discussion Time
- More tea
- Bigger Name Tag
- PCとシェファードの役割を明確にすべき
- PC会議をして論文に対する処置を議論すべきだったと思う
- レベル合わせ等の意味でもPC全員がどう思うのかは共有したい。その意味ではWW or WGではないScoringが要ると思う

- More non-Japanese attendants in Japanese session

- earlier notification
- more time to discuss
- more to eat or drink coffee table(different things)
- forcing the invitation to submit reasonable papers!

- Earlier notification to authors
- More time for papers
- Better instructions to reach venue
- Free lunch

- More time to read papers
- Tutorial more independent / possible longer
- More social time to get to know one another

- Earlier notification of acceptance
- Put the final papers on the web page sooner (more time to read them)
- More keynotes about patterns

- More time for paper discussions
- More time for shepherding process
- Earlier CFP, Notification and CFPart
- Fixed Participants

- More time for papers, reading time
- Less conflict with other co-located countries

to be able to

- Change group session by session(don't co-pile two or more sessions)
- serve mineral waters/tea
- free drink everytime(not only at coffee break)

- Tutorial not held as parallel to writer's workshop
- More coffee

What still puzzles you?

I hope/wish..

•Can I download Joshua's presentation pdf?	to present my pattern I will prepare for next chance
•How to connect both language speakers? Maybe more games? Tutorials?	•A more friendly web-site for next PLoP. •More drink!
How to communicate with people speaking other languages	Japanese culture be understood by writing/finding patterns about our way of communicating.
I hope next AsianPLoP is held in a resort area. (Beach...for example)	•I hope next year we can hold AsianPLoP in Alexander's designed Eishin-Gakuen Campus in Saitama-Prefecture!
•How to communicate better in different language	•continue PLoP conference
•How to connect different language speakers?	•Writing pattern for PLoP
•Directions to room not very clear	•I hope to suggest a new pattern language
•how can I write a new pattern in a field with no pattern language •Why no presentation upload •acceptance vote views / criteria •Need time to explain How to communicate among other language •日本語で書きましたがPostProleedingは英訳すれば乗せていただくとジェファーダーに聞いたのでまず日本語で投稿しました。 英語ACM Digital Libraryにのせるようにしてください •Why no presentation uploaded? •What is best form to present tech. paper? •How to connect authors and others in similar domain? •The review process •Bring like minded people together -How to do that -may be connect people on linked in	•I hope I'll be a speaker at the conference •Plain English need •Pictures ease my acknowledgement
•How to connect different language peoples? •How to connect another similar domain??	•write a paper •learn more about Pattern •would like to know of Alexander
•How to connect Authors in similar domains •How do we include Pattern Users? People who use patterns or need to use patterns	•to be a facilitator moderator for the conference •to have a big pattern writers community •to Patternize PLoP
•How to connect Authors in similar domains •How do we include Pattern Users? People who use patterns or need to use patterns	•I would like to write Patterns in writing Workshop
•What is the best form of pattern technical report •How to communicate with person's with another language	•that we get groups to produce important pattern language •that we can eat more sushi!
•I don't know others no prepare	•More kinds of menu in Banquet

- What is a pattern?
- I will always drink coffee I want free space
- presenting research papers!
- Next Asian PLoP will be held in other Asian country
- connecting authors?
- To keep touching with other attendants
- Why presentation are not allowed?
- they have more reasonable papers
- How to connect authors of one paper with author on another paper?
- they have more p?????? regarding HCI
- Why not meet first on the evening before PLoP start?
- They will continue free registration
- Why were unfinished papers accepted instead of
- They will provide guidance to reach review easily
- I participate in next AsianPLoP
- How to find people with common interests?
- They continue inviting many different people
- I wish they would clearly label sweet and salty food during coffee break
- What is the best form to discuss pattern technical papers?
- More keynotes
- How to connect people in different languages?
- Specialized sessions so I don't have to read papers I don't care about
- whether next AsianPLoP is surely held next year or not?
- AsianPLoP will continue to be held!
- Shepherding process works better, especially, voting and monitoring
- How to communicate people whose language is different?
- For a very successful Asian2011PLoP with People from many Asian Country
- Why no gifts in this PLpP?
- to join and write some patterns AsianPLoP 2011next year
- held in rural area in Japan like Iino?
- Presentation Paper Session(discussion about pattern language, not a proposal of Patterns)
